

To Our CVC Community,

Though the school year is barely in the rearview mirror, we've already begun planning for the 2021-22 school year. While the previous 16 months have been filled with unprecedented challenges, we've weathered the storm, and we realize anew the necessity of unity and of facing the future together.

In that vein, we're pleased to announce our school theme for the 2021-22 school year: **Better Together**. The theme comes from Romans 15:5-6: *"May the God who gives endurance and encouragement give you the same attitude of mind toward each other that Christ Jesus had, so that with one mind and one voice you may glorify the God and Father of our Lord Jesus Christ."*

As a school community united under one Lord, we're committed to the following:

- **Prioritizing students' mental, social, spiritual and educational health.**
- **Providing only exceptional in-person learning and fostering the dynamic live interaction between students and teachers, especially in regards to class schedules, breaks, recesses, chapels, performances and extra-curricular activities.**
- **Acknowledging the availability of vaccines to those staff and students who want them and the documented effectiveness for those who choose the vaccine to reduce the risk of the COVID virus.**
- **Respecting parents and their rights to make health decisions in the best interest of their children, in conjunction with their primary care physicians when necessary.**
- **Making available a comprehensive and smart approach to student and staff ailments in order to keep the campus as healthy as possible.**
